Cotmanhay Conversations – Walk 2 School Week May 2024

Walk 2 School Week 2024

Pupils from Cotmanhay Juniors Year 6 started work on a 'Walk 2 School Week' mural.

Each pupil walked in paint for approximately 2000 steps total to represent 20% of the recommended daily steps count for adults.

Bennerley Viaduct

Year 6 then walked to the Viaduct on Tues 21st May to display their artwork, meet with the Friends of Bennerley Viaduct Team and share their experiences of walking in and around Cotmanhay.

The project helped to raise awareness of the importance of walking and being physically active.

99 children and adults including staff and volunteers came together on the Viaduct for the project.
