

THE BIG

BOLSOVER LOOP **WEEK**

**21-27
Sept
2026**

Throughout the week, we're encouraging people to get out, explore their local area, and find a section of the Bolsover Loop close to them.

This 26 mile walking, wheeling and cycling route connects towns and trails around the heart of Bolsover District. It runs through beautiful green spaces and takes in areas rich in fascinating history.

It isn't about completing the loop, it's about taking part, enjoying the outdoors, and connecting with others. Whether you walk, wheel or cycle, every bit of movement counts.

How to get involved?

- Explore your local section
- Walk with friends, family, or colleagues
- Discover somewhere new
- Have fun and share your photos with us tagging @WalkDerbyshire and #BolsoverLoop

Look out for the Bolsover Loop sign to find your starting point
